

**“AS-REMOVED” (AR) AND “REPAIRABLE” (RP)**  
**TERMS AND CONDITIONS OF SALE**

“As removed” or “repairable” items are sold “as-is” without warranties, guarantees, or return rights, meaning the buyer assumes all risks regarding condition, defects, or missing parts. These final sale items are heavily discounted to clear inventory, and once purchased, cannot be returned or exchanged. King Aero Management Corp will make a good faith effort to provide accurate information and photos, if requested, prior to the final sale.

Key details of our "As Is" / "As Removed" policy include:

- **Final Sale:** All sales made under this policy are final, meaning no refunds or exchanges are permitted.
- **No Warranty:** Items may be missing parts, have defects, or be repackaged, and manufacturer warranties often do not apply.
- **Exceptions:** Exceptions to this policy may only apply if the item was grossly misrepresented or if the seller's specific policy allows returns for defective items.
- **Physical vs. Online:** In-store "as is" items can be inspected, while online "as is" items rely on description or images, making it crucial to understand the risks of possible damage or missing components.
